Fire Safety

This week we learned about fire safety. Two important safety tips we covered were having a home evacuation plan and a designated meeting place for your family to gather. You will find a Family Fire Safety sheet in the Friday folder. It's your child's homework to go through this page with your entire family. It does not need to come back to school. The Hastings Fire Department was also here this week to talk with your students about fire safety.

Fall Festival

Just a reminder that we will be having a fall festival on Friday, October 30th. We will need parent volunteers to help with the activities for the morning. Our party will be from 9-10:30. Please send a note with your child if you are willing to volunteer. See attached letter for more information.

Kindness in Chalk

October is National Bullying Awareness Month. To recognize this, we are going to cover our school (sidewalks) in kindness! We will use sidewalk chalk to write and share words of kindness to everyone at our school. We're hoping to spread the message that kindness will always win! We will also wear orange on the 18th to promote anti-bullying.
