Mrs. Fischer's Second Grade News

November 4, 2016

Cold and Flu Season

Most second grade students are eager to be at school, but there are times when sickness may occur. If your child has mentioned not feeling well for more than a 24 hour period perhaps they are ill. If they have an above normal temperature please keep them at home. Our school policy is that children remain home 24 hours once the temperature is down to 98.6. Please train them to cough and sneeze in their arms, how to use a tissue, and the necessity of washing their hands or using sanitizer.

Any medication must be given to our nurse.

Thank You Parents!
