We are also in need of donations of sprinkles and frosting to decorate cookies. If you would like to volunteer please let me know ASAP.

## Seesaw

Seesaw is a new app we're using to share what your child is learning at school. Seesaw gives your child a safe space to document their learning and learn how to use technology. Each child gets their own journal and will add work to share what they're doing at school. When your child adds items, you'll be notified. Your child's journal is safe and secure. Sign up instructions are attached.

## Report Cards

Please note that your child's report card will be coming home on Tuesday, Dec. 13th, not Tuesday, Dec. 6th. Sorry!
