Mrs. Fischer's Second Grade News

Sept 30, 2016

Pokémon Go

We are well on our way to a great year! Last week we worked with Mr. Leiser to learn about iPad care and safety. We created a Vidra video to highlight our learning. Ask your child about their Pokémon Go experience!

NWEA Testing

Your child will take their math NWEA test in our classroom on Wednesday Oct. 5th. Again, please make sure your child is well rested, has a good breakfast that morning, and encourage them to do their best!

Contact Information:

Education MN Conference

Our Schedule:

10/3-10/7

Mon. Comp. & Media

Tue. Music & PE

Wed. Art

Thur. Music & PE

Fri. Comp. & Media

Wellness Policy

As stated in our elementary student handbook, the district has adopted a [wellness policy](#). We are still celebrating student birthdays; we are just not doing so with birthday treats. We ask that students **not bring any treats** in honor of their birthday. Here are some options for alternative ways to celebrate: Wear a special birthday outfit, bring a book to share with the class, bring a special birthday show & share, or bring a small token to pass out to friends such as stickers, tattoos, bubbles, pencils, etc.

What we are learning next week...

Reading

- Text to Self connections
- Understand key ideas and important details
- Discuss a story's message
